

Intact Entertainment | Producer Plus™ Liability

Where innovation meets experience to solve your media liability risk management needs. Working with Intact Entertainment means you can rely on an exceptionally responsive team that is highly knowledgeable about the dynamic media industry. We don't just know media; we're passionate about it and those who share our focus. And because of our flat organization, you will always reach an empowered decision-maker who can promptly solve your risk management needs.

Our Producer Plus Liability coverage is designed to match coverage to risk in ways other carriers can't. As media liability specialists, we have the experience and expertise to develop coverage across the spectrum of films, documentaries, industrial videos and television productions with small-to-medium-sized budgets.

We focus on covering the risks, so your business can focus on what it does best. Producers have different goals and objectives. Projects are very distinct, ranging from entertainment to education. That makes the risks involved with each situation different as well. Developing coverage solutions for each of these situations on a tailored, individual basis takes a broad range of expertise and experience. That's what we provide.
