

Intact Entertainment | GatherGuard®

Special events, whether a wedding reception or a professional seminar, involve considerable coordination between host and event staff. Despite careful planning the unexpected may occur—exposing the host to potential liability for bodily injury or damage to rented premises. Intact Entertainment can help with GatherGuard®—a general liability insurance program that provides your client access to convenient, low-cost coverage for special events.

What is GatherGuard®?

When an individual or organization rents a facility or venue for an event, GatherGuard® provides low-cost general liability insurance. It provides protection for the user against claims by guests or the facility for injuries or damage to rented premises caused by their event. It's an easy-to-use, fast method of insuring most types of events, including seminars, weddings and receptions, birthday parties, and concerts.

How it Works

We will work with you to set coverage limits, special additional insured language (if required by venue; must be approved by Intact); and contact preferences. Customers will be able to see predetermined information, options customized to your venue or organization, and the type of event being held. You will be able to send customers directly to gatherguard.com to purchase insurance through our simple, online system.

Our support team is available by phone or email to answer questions about GatherGuard® or to offer technical assistance. Once purchased, the policy and proof of coverage will be delivered instantly to the email address entered on the online application.
