## Environmental Excess Liability

Whether a commercial general liability/pollution package or a monoline pollution policy, our environmental excess liability coverage allows us to offer additional capacity over current environmental placements with other carriers. Coverage can be provided directly over the primary policy or included in higher excess layers. Underlying carriers must have an A.M. Best rating of "A-", class "VI" or better. Employers liability and auto liability can be scheduled when coverage is offered in excess of a commercial general liability/pollution policy.
