REPRESENTATION STATEMENT

The undersigned authorized agents of the person(s) and entity(ies) proposed for this insurance agree and declare to the best of their knowledge and belief, after reasonable inquiry, the statements in this application, and any additional material submitted, are true and complete, and that reasonable efforts have been made to obtain sufficient information from each and every individual or entity proposed for this insurance to facilitate the proper and accurate completion of this application.

The undersigned authorized agents understand and agree:

- The submission of this application does not obligate the insurer to issue, or the applicant to purchase a bond or policy. The applicant will be advised by the insurer if the application for coverage is accepted.
- Coverage will not be provided for any service or activity unless listed in the application, an applicable supplemental application, or additional materials and expressly agreed by the insurer.
- If there is any material change in the answers to the questions in this application or any attachments, before the policy inception date, the applicant will immediately notify the insurer in writing and any outstanding quotation may be modified or withdrawn.
- If a bond or policy is issued, the insurer relied upon this application, any previous application, any supplemental application and any additional materials submitted in issuing each such bond or policy and any endorsements thereto.
- This application and its attachments shall be the basis of a contract should a bond or policy providing the requested coverage be issued and shall be deemed to be attached to and shall form a part of any such bond or policy. In North Carolina, the phrase 'deemed to be attached' above is hereby replaced with 'physically attached'.
- The liability policy which may be issued based upon this application provides claims made coverage, which applies only to claims first made during the policy period, or any extended reporting period. The limit of liability to pay loss will be reduced, and may be exhausted, by defense costs, and defense costs will be applied against the retention. In no event will the insurer be liable for defense costs or any other loss in excess of the applicable limit of liability.
- For new coverage, any claim arising from prior or pending litigation or any prior written or oral demand shall be excluded from coverage. If knowledge of any fact, circumstance or situation exists, any claim or action subsequently arising there from shall be excluded from coverage.
- For renewal coverage, any increased limit of liability or coverage enhancement shall not apply to any claim, facts, circumstances or situations for which the insurer has already received notice or that the undersigned or any insured has knowledge of which could reasonably be expected to give rise to a future claim.
- The information provided in this application, any supplemental application, and any attachments, is for underwriting purposes only and does not constitute notice to the insurer under any policy of a claim or potential claim.
