Data Analytics

- Theft analytics help you make informed decisions by more accurately identifying risk
- Quarterly and annual reports provide detailed cargo theft analysis by location, commodity, day of week, and more
- Truck stop reports describe

Tools and resources:

CargoNet offers a database and tools that receives cargo theft data from law enforcement and supply chain victims which assists law enforcement with recoveries.

Intelligence

- Real-time reports identify risks in charts, maps, and graphs
- RouteSearch helps you visualize theft risk along your specific route, allowing you to change the radius and date range, layer truck stop locations, and filter by commodity
- AlertSearch feature allows you to search theft alerts by suspect name, phone number, e-mail, and more to assist with carrier validation and help you avoid identity theft, fictitious pickups, and other transportation-related scams
- Access to all aggregated weekly, monthly, quarterly and annual cargo theft reports, truck stop theft location reports, archived webinars, tips and best practices, member discounts, online training and more
- Nationwide recovery network includes 9,000+ police agencies and 120,000+ officers

You're a victim of theft. Now what?

- Notify Intact Inland Marine Claims immediately of the loss
- As a member of CargoNet, the Recovery Support Center is added to the First Notice of Loss which allows CargoNet to expedite alerts to law enforcement while claims can continue its standard operating procedures
 - Reduces lead times being afforded to cargo criminals
